

# Study Tour

## Delft Sustainable Energy Association

### July 2018

The Delft S.E.A. Study Tour is a multidisciplinary trip with 32 SET students and will cover a wide range of topics in the sustainable energy field. The chosen students will have the opportunity to meet 6 interesting and progressive companies/institutions throughout the week. Next to that, there is time to do some sightseeing, drink beers and have a wonderful week on this trip together with your fellow SET students.

#### Event Details
